

Remarks/Arguments

Reconsideration of this application is requested.

Drawings

Figs. 1 and 6 are objected to. In response, Figs. 1 and 6 are amended as suggested in the Action. In Fig. 1, objects 10-50 are shown in outline form to allow electronic reproduction and, in Fig. 6, the legend --Prior Art-- is added. Replacement sheets incorporating these amendments and annotated sheets showing changes are enclosed with this amendment.

Claim Status

Claims 1-20 were presented. Claims 17-20, which are withdrawn from consideration as a previous restriction requirement and election, are canceled without prejudice. Claims 2, 9, 15 and 16 are also canceled, without prejudice, and claims 1, 3, 5, 6, 8, 10 and 13 are amended. Thus, claims 1, 3-8 and 10-14 are now pending.

Allowable Subject Matter

Claims 2, 3, 9 and 10 are indicated as allowable if rewritten in independent form. Accordingly, claim 1 is amended to include the limitations of claim 2, and claim 2 is canceled; claim 3 is amended to include the limitations of claim 1; claim 8 is amended to include the limitations of claim 9, and claim 9 is canceled; and claim 10 is amended to include the limitations of claim 8. Thus, applicant submits that claims 1, 3, 8 and 10 are now in allowable form. Claims 4-7 and 11-14 depend from, respectively, claims 1 and 8 and are similarly allowable.

Claim Objections

The Action objects to claims 6 and 13 and asserts that the limitation "such as a bar code" is not clearly limiting. In response, claims 6 and 13 are amended to recite "including a bar code".
